

mind plasma!

wave•space of imagination

Using cartoons on a huge projection screen, otherworldly sound effects, and crazy vocal processing TJ RICHTER tells spoken-word stories that trip you out & love you. Wearing bizarre costumes with strap-on laser body parts, *plasma man!* executes extreme trampoline leaps through his own projections, *BONG!* Enjoy wiggles of giggles and contortions of distortion in a screaming daydreaming wave-space of imagination, *ZAP!*

QUOTES

"intense spoken-word act with light, sound, and his own bizarre works of art" – The Onion

"multi-media, synapse-burning rants about druggie consciousness, professional dick-heads and a lot of other commonplace stuff that forms the gooey center of this modern world" – Isthmus

"ASTOUNDING" – Thrasher Skateboard Magazine

"could have been a model for Edvard Munch's The Scream" – Milwaukee Journal

"realize the outright addictiveness of his absurd sense of humor" – Steven Snyder, TimeOut Movie Critic
